Answer this question Flag as However, the more you try, the easier it will become, like all forms of divination. The use of the symbols may not make sense to you.

At first, the interpretation process can seem a bit daunting, but don't fret. When there is about a tablespoon of liquid remaining in the cup, they can begin the swirling-and-turning ritual: Holding the cup in the left hand, swirl it three times from left to right. Plain loose leaf tea without twigs, powders, fruits, flowers, etc is ideal because it makes different shapes and sizes and creates better images for the reading.

Let's say the querent is wondering when they'll meet their next partner and the question was "what is happening in my near future?"
