This body would replace the Maldives Media Council, an independent body that is responsible for the oversight of print and online media, and the MBC. Major industries: tourism including import duties and tourist taxes fishing, agriculture, manufacturing. The law establishes maximum hours of work, overtime, annual and sick leave, maternity leave, and guidelines for workplace safety.

According to MCS statistics, there were eight individuals serving banishment.

Based on the evidence presented, the prosecutor general has the authority to determine whether charges may be filed. All the islands are low-lying, none rising to more than 6 feet 1. The government integrated students with physical disabilities into mainstream educational programs.

Journalists also complained that in the current repressive environment few reported increased arrests and physical attacks by police against journalists who covered political developments during the SoE, repeated threats by the authorities to close down independent and pro-opposition news outlets, and a growing trend of reporters facing legal action in connection with their work. Though dozens of men and women were questioned on this occasion about converting, only the two women were imprisoned and counseled extensively.
