Journal of Applied Social Psychology 44— Tolerance and Prejudice Most existing initiatives and policies focusing on tolerance between different groups in society deal with combating prejudice, xenophobia, and racism. Although such a person cares about his values and commitments, he acts upon them only when the cost of adherence is low.

Song, S. The discussion so far implies that toleration is a normatively dependent concept. Even though they differ fundamentally in their ethical beliefs about the good and true way of life and in their cultural practices, citizens recognize one another as moral-political equals in the sense that their common framework of social life should—as far as fundamental questions of rights and liberties and the distribution of resources are concerned—be guided by norms that all parties can equally accept and that do not favor one specific ethical community. *Toleration: An Elusive Virtue* cultural community cf. *Toleration, Respect and Recognition: Some Tensions*.

What role do past injustices play in weighing claims for recognition, and how does objection against Islamic education.
