Journet O. Finch J.

This phenomenon, observed in all western countries, inevitably raises questions. It becomes necessary to reinvent a new life together: with maturity. First, we present the theories, findings and results relating to the single-child family model in Europe. Seller Inventory F Zweifel, P. Ortalda L. The theory of preferences for time or money has been widely debated by economists, particularly with regard to women's work and reduced hours of work Simiand ; Becker
