They were just too true it's sad. She narrates her life as she goes throughout college and splits her early college life into 10 sections, each with their own points. But it appears that among the great conflicts of this culture, the conflict in our attitude toward poetry stands clearly lit.

To be obedient is therefore to be pleasing to God. I urge you to find some way of ridding the house of these sirens. We are poets; we can make the words. And now, are inside this book that she wrote. No crying.
