DeMello, George. Adding two or three questions as part of a caption could further pave the way for more effective interpretation of the readings.

Historiographic epistemologies are theories concerning the encoding and decoding of text. Lafarga's forty-two page introduction contains a sketch of the author's life and works, a brief commentary on each of the thirteen sainetes an appendix identifying all the actors who appear in these playlets, and a very useful bibliography. Por todo ello este libro es lectura recomendada.
