How did they travel? Filing a patent can be lengthy, complex, difficult, and expensive; typically, it takes about two years from the date when you apply for a patent to the time when it is formally granted to you largely because there are so many patents being applied for—several hundred thousand a year in the United States. This is not legal advice and just the way I do things.

However,withalittlebitofresearchandplanningyoucanvastlyimproveyou
What role does WIPO play with regards to patents? For instance, if infringement would only take place inside a factory, and you cannot tell from the finished product whether or not it has been built using an infringing process or tool, then it would be almost impossible to enforce the patent properly. Explains what a copyright is; what can be copyrighted; ownership of copyright; the Digital Millennium Copyright Act; duration of a copyright; statutory formalities of copyright; infringement; fair use; remedies; and criminal offenses.
