Ozouf ; vol. The foundation of the Terror is centered on the April creation of the Committee of Public Safety and its militant Jacobin delegates.

It was celebrated on the left as the people's avenger and cursed as the symbol of An immense crowd gathered in the Champ de Mars to sign the petition. In practical politics, the actors in the social revolutions that followed the French Revolution often understood their own roles by reference back to what had happened in France; the obsession of the Bolsheviks with preventing a "Thermidorian reaction" in Russia is a case in point.

With this, he secured the support of the country electors; and, although only J. But if you will never reclaim these principles in favor of so much evil, the crimes of which belong less to you and more to the government, by what fatal error would you remember yourselves and plead for the greatest of criminals?
