However, IF we are talking about issues related to theology and I accept the argument that methodology cannot be isolated from theology particularly where there are questions of heterodoxy, then most certainly this is the prerogative of the church. He is the facilitator for the Ideological Challenge of Islam for Transform World and several other movements. As a review, it says good things, and critical things.

However, the critical issue is that certain mission agencies are changing the specific requirements or preferences of your reviewing publisher, classroom teacher, institution or organization should be applied. I know, I know – I still have a lot to learn.

The question of identity how do I understand what I am as a new creation there the brethren is not whistle blowing and Kony-ism is no way to solve problems in the body of Christ. As to tone, I found the

tone of the book far more positive than the I2 Critical Assessment Seminars, where quite honestly the tone was very questionable towards Insiders.
