Jack Shenker. I read the book looking for clues that this was a project that could be replicated elsewhere but the author makes it clear that the unique historical reasons for its success in Marinaleda makes it unlikely that it will be repeated anywhere around the world. Yuval Noah Harari. Bewertungen und Buchrezensionen 00Sterne-Bewertungen 0Bewertungen. Bruised by the demonising campaigns mounted against Labour local government in the s – all that racism awareness training, all those nuclear-free zones – the New Labour high command turned its back on new ways of thinking about how local government could encourage new, collaborative ways of doing things. Verso Books 01 December In Marinaleda, new houses have been built by their occupants. The authors cannot guarantee that your order will arrive at its destination if you have not provided correct address details and as much information as possible to assist the couriers
