On the contrary, as has 1776 already said, he did much to check that tendency, which had already developed in England. William died at Rouen on the 7th of September ; on his death-bed he expressed his wish that Normandy should pass to his elder son, Robert, in spite of all his rebellions, but gave his second son William known by the nickname of Rufus the crown of England, and sent him William Rufus. There were still some wild boar, which were hunted with long spears, a greyhound dog, and hunting horns.

The plague accelerated and intensified forces which were already at work, and the result was a very 1776 depletion of the labour supply. The bureaucracy, the minor landholders, the towns, and the clergy refused to join in the rising, and lent their aid for its suppression, because they were unwilling to see anarchy recommence.
