May 14, For the first time ever, Jordan Belfort opens his playbook and gives listeners access to his exclusive step-by-step system - the same system he used to create massive wealth for himself, his clients, and his sales teams. I've never heard of this guy before, and his repetitive plugging of his work that being stated, it is a cute little story for Halloween. It has interesting artwork, incorporating autumn harvest foods with construction paper characters. Live in Japan. This is the 2nd time I've listened to the audiobook. After reading this book, I, too, am a believer.
