Forgot Password? Next, the researchers had to see if the average person could tell the difference. It's interesting to see how she approaches both worlds with the same sharpness of language and fearlessness in exposing violence and abuse. Imuchpreferherearlierwork. Love her work but can only take it in pieces. The views expressed in this article are those of the author alone and not the World Economic Forum. Tomention,ithelpsmealotinaccomplishingmyresearchpaper,thefactthat robot's vocabulary is programmed with general grammar and spelling conventions, but is free to arrange the words in any form it pleases. Forget the beach balls and margaritas – nothing says relaxing day at the beach like robot-created poetry.
