Lists with This Book. Other Editions 5. Stumbling Stones is a lovely, albeit brief stunningly brief little book. Showing More Details Misconceptions about grief lead more than one million people each year to seek out chemical solutions to their pain, either through alcohol, recreational drugs, or prescription medication. Instead, it is better to find energy for the new undertaking from survival and see if there are any aspects of survival that can be dropped, for example, working part time and delegating other needs to family A Path Through Loss friends.

Once you identify the way that grief manifests itself in your own life—and it is critical for you to try to remember.
