Less Is More And Real Abundance Parker. Just as some people accumulate things to create a false identity or pursue a mythical state of happiness, eliminating yourself of possessions without coming from a place of inward truth is short-sighted. If we can keep that subtle reminder with us every time we imagine our future fortunes, the amounts we actually have and the ones we imagine we might have one day can change, but the feeling of prosperity and contentment will be the same, and that's what counts.
