The goal of this study is to perform an historical investigation of the influential forces that shaped the development of patrol aviation. All the personalities of the characters in this novel add passion, power and drama to a captivating tale you can't put .

Regret's just away to make you feel okay when you're not making amends. I also  
Three stars. I look forward to continuing these and seeing how  
the next story will continue with the characters now set in  
their ways amongst each other and their crew. But I don't  
care, I don't like any of the protagonists and I am bored.  
A truly wonderful read and insight into an amazing world of differing creatures  
didn't have high expectations going into this so I feel like  
it checked off all the boxes of what I wanted it to be.
