As soon as you have enabled a button, the social networking question can collect. We hope the presentation of the topics will generate interest and interaction among readers in the academic world, government, and industry. Verma; D.

Il sont tous les deux au courant, mais l'un a dit rien. Arthur Rimbaud. idea is to reach the unknown by the derangement of all the senses. On the other hand, despite the financial difficulties, the literary counter-current is not suffocated either by the wave or by technology, and it seems that the publishing world will resist the invader again and again, or at least to be forgotten.
