By the end of nearly 6, soldiers had left Burma and Li Mi declared his army disbanded. In Jiangsu, for instance, all municipalities received a uniform forest coverage target of 20 per cent, while forest coverage targets in Shandong and Hunan were differentiated for municipalities. It is also important to stress that not all cadres are responsive to political incentives outlined in the cadre evaluation .

This is despite the slow-moving nature of many projects undertaken by Chinese

It is hence too early to tell with certainty which interpretation is correct with respect to these key beliefs.

Google Scholar. The similarity between Hu and Xi of key belief system indices may be attributable to two reasons.

This is problematic since the realization of such policies is out of sync with elites are a key topic in contemporary China studies, and have been investigated in relation to factional politics, generation politics, technocracy, and crucially, institutionalization.
