One of the worst such episodes occurred under Yavuz Sultan Selim I. People who deviate from orthodoxy by professing a doctrine considered to be false are called heretics, while those who, perhaps without professing heretical beliefs, break from the perceived main body of believers are called schismatics. Main article: History of the Russian Orthodox Church.

The Orthodox Church wishes to support the work of the Commission "Faith and
Because the Son of God took on human flesh and became incarnate as man in Jesus Christ, the Church decreed not without much debate it was appropriate to portray the glory of God incarnate visually through icons. The canon was compiled from myriad ancient text sources, many of which were spurious or even heretical. Upon the successful conclusion of the work of any theological dialogue, the pan-Orthodox decision about the restoration of ecclesiastical communion must, however, rest on the unanimity of all the local Orthodox Churches. Like our Jewish predecessors, Orthodox services are liturgical, sacramental other items More Historian often dismiss this interpretation of events and argue that Vladimir most likely converted to Orthodox Christianity to unify the loose confederation of pagan tribes he ruled over, to strengthen his trade links Constantinople and to form an alliance against the Muslims who penetrated the Volga region.
