I could almost feel time slow down as adrenaline flooded my body and I took stock of the situation. A barren lifeless rock. The magic system for instance will drive you to read the short stories related to the series.

My last memory was one of pain. The Traveler felt joy, as it felt "the first hope". The action and magic system is really good, but the characters apart from Simon the MC aren't developed to even half their true potential, some are very 2 dimensional. A seething mass of magma. Some times great world building ends up in a complete mess. Leave a Reply Cancel reply Enter your comment here There are not many believable reasons behind the actions of the incarnations.
